

ACTING PRIME DRESS REQUIREMENTS 2019-2020

The following dress requirements are in place for ALL Acting classes in the Acting Prime.

Students are expected to come to class in your “actor blacks” and will not be allowed to leave class to get clothes out of your locker. If you have long hair, you will need to wear it back- fully out of your face. No loose jewelry, perfume/cologne or heavy makeup in class. You must wear deodorant. Actor blacks should cover the body appropriately.

The purpose of “actor blacks” is to allow you to move freely, and to be a neutral palette upon which actors can use their bodies, voices and intellectual acting choices to craft a character. The “actor blacks” are designed to be about discipline, and changing into them should delineate a clear pause in your everyday life and the full focus on your acting practice.
